

## I'm Pregnant

Hello Friend. Thanks for listening to this message. Probably you or someone you know is pregnant and needing help. Please understand that you are safe here. No one you talk to here will betray your confidence. I'm more than just a voice. I'm a real person. I've been praying for you. I'm willing to do whatever I possibly can to help you through this scary time in your life. You're probably thinking about all the trouble you could be in. Please understand that you do have time to think things out. You do have time to talk with someone who can help.

Being pregnant may not be what you want or need right now. Remember that two wrongs don't make a right. The baby inside of you isn't to blame and shouldn't be punished. You're going to need a lot of help. I'm here to help you. I have friends working with me who know how to make sure you have all the help you need. Fear can make you do things you'll regret later on. Try to stay calm. Don't let fear get the best of you.

God can help you with your fears. The Bible says that God has not given us a spirit of fear but of power and of love and of a sound mind. It's also true that God loves you. He'll never turn you away if you come to Him honestly. He's listening to you now. He knows what you are thinking and feeling. Please say a short prayer with me to ask God to calm your fears. I'll lead you. You can pray after me. This will work for you if you'll try it. Just quietly whisper this prayer with me.

Lord God, Almighty. I know you are listening to me. And I know You love me. I ask you please in the name of Jesus Christ to calm me and take away my fears so I can think clearly. I thank you for being here with me now. In the name of Jesus, Amen.

You may be afraid to tell anyone where you are about your baby. Your situation could even be dangerous. Whatever your needs are, please contact us and let us help you. You haven't come to this web site by accident. God is trying to reach you with help.

Call or email. I or one of my friends will talk to you. We won't tell anyone anything you don't want us to. We'll do whatever we can for you without betraying your confidence. We understand how you're feeling and the problems you're facing. Now it's your turn. If you send an email someone you can trust will respond within 24 hours. Make sure you tell us if there is a certain time of day or night you need to receive the response. If you call, there will be no charge to your phone. If you have to leave a message, just say when you'll call again.

Don't give up. I'm here to help you. We're here to help you. God is here to help you. He is with you now to help you. Before I go, would you please pray with me again? I'll

go slow so you can take your time. Remember that God has a plan for you life. He can take any bad situation and turn it around for good if you let Him. Let's pray together.

Father, I really need Your help. I know I have done things wrong and I can't straighten out my life by myself. I know that You love me and that Jesus died for me. The best I know how I give my life to You and I receive the Lord Jesus Christ as my Savior and as the Lord of my life. I'll go where You want me to go and I'll do what You want me to do. And I'll be what You want me to be. Please give me Your power to live for You. Thank you, Lord Jesus, for dying on the cross for me and thank you for coming into my life right now. In Your name Lord Jesus, I pray. Amen.

Did you pray that prayer with me? If you did, please say these words honestly: Jesus Christ has come into my life and Jesus Christ is the Lord of my life.

When you prayed and declared Jesus as Lord, what happened inside of you? Jesus said if you would open the door of your life to Him, He would come and live there forever.

Jesus promised that He would never leave you nor forsake you. Whether you prayed with me or not, please call or email me right now. Let us help you through this difficult time. Please call or send an email message before you change your mind. No one here will hurt you or judge you or be angry with you. All we'll do is love you. We'll listen and help you every way we can. Remember that you calls or emails will always be kept secret unless you want us to talk to someone for you.

The phone number is 1-800 441-4874 and our email address is: [help@waz-up.net](mailto:help@waz-up.net)

Now it's your turn.
